ALABAMA SEED PROCESSORS

The Legislature of Alabama of 1963 enacted a State Seed Law (Act No. 424), which became effective on January 1, 1964. Section 2-26-5C, CODE OF ALABAMA, of this law requires that each person engaged in the operation of a seed cleaning or processing plant, including peanut shellers, seed treaters, and corn processors, shall be required to obtain an annual permit and pay the required fee of \$75.00 for such permit.

Seed Processor's Permit is required by the State Seed Law. Application must be completed and submitted to this office along with the required permit fees of \$75.00. The Seed Processor's Permit will cover the period from January 1 thru December 31 of each year. A check for the permit fee should be made payable to the Alabama Department of Agriculture & Industries.

NOTE:

Seed Processor's, who also sells seed or offers seed for sale in the State of Alabama must also obtain an Annual Alabama Seed Dealer Permit.
