

United States Department of Agriculture

Office of the Secretary  
Washington, D.C. 20250

The Honorable Kay Ivey  
Governor  
State of Alabama  
Montgomery, Alabama 36130

Dear Governor Ivey:

Thank you for your letter of June 23, 2017, requesting a primary county disaster designation for several counties in Alabama, due to damage and losses caused by significant rainfall, wind, and flooding caused by Tropical Storm Cindy that occurred during the 2017 Crop Year.

On July 26, 2017, the acting Alabama State Executive Director of the Farm Service Agency (FSA), U.S. Department of Agriculture (USDA), requested a primary county disaster designation for 11 Alabama counties due to losses caused by excessive rainfall and flash flooding that occurred from May 1 through June 30, 2017.

USDA reviewed the Loss Assessment Reports and determined that there were sufficient production losses to warrant a Secretarial natural disaster designation; therefore, I am designating all 11 counties as primary natural disaster areas. In accordance with section 321(a) of the Consolidated Farm and Rural Development Act, additional areas of your state and adjacent states are named as contiguous disaster counties. Enclosed you will find documentation that provides a detailed list of all primary and contiguous counties impacted by this disaster.

A Secretarial disaster designation makes farm operators in primary counties and those counties contiguous to such primary counties eligible to be considered for certain assistance from FSA, provided eligibility requirements are met. This assistance includes FSA emergency loans. Farmers in eligible counties have 8 months from the date of a Secretarial disaster declaration to apply for emergency loans. FSA considers each emergency loan application on its own merits, taking into account the extent of production losses on the farm and the security and repayment ability of the operator.

Local FSA offices can provide affected farmers with further information.

Sincerely,

A handwritten signature in blue ink that reads "Sonny Perdue".

Sonny Perdue  
Secretary

Enclosure
